

Bibury Parish Council - COVID 19 Response

Bibury Parish Council in association with Bibury & Barnsley Anglican Church, Bibury Baptist Church and The Barnsley Village Chair are working round the clock to co-ordinate a community wide response to the current public health crisis due to Coronavirus.

This is what we are doing now:

1. For those who are self-isolating, infected with the Coronavirus or about to self-isolate, we are here to help you in anyway we can.

That means, help with:

**Shopping • Cooking Meals • Collecting & Delivering Prescriptions
Dog Walking • GP & Hospital Appointments**

2. For those in the community that are currently healthy we need your help.

That means, we need volunteers to:

Shop • Cook • Collect Prescriptions • Dog Walking • Administration

An 'Emergency Fund' has already been set up to provide emergency financial support for the above and is seeking donations.

As a matter of urgency please contact the **Community Response Team** either with your immediate needs or offers to help:

Email: biburyhelp@btinternet.com

Telephone: 01285 740300 (Bibury Post Office)

Mobile: 07846 041753

ACT NOW, TOGETHER WE ARE STRONG
